Eligibility

Corning Community College has prioritized awarding of Emergency Financial Aid Grants to Title IV eligible students. Who is considered a Title IV eligible student? Students who are or could be eligible to participate in federal student aid programs (Title IV), may receive monies from the HEERF.

- If a student has filed a Free Application for Federal Student Aid (FAFSA) and has an eligible EFC then the student has demonstrated eligibility to participate in the federal programs.

- Students who have not filed a FAFSA, but who are eligible to file a FAFSA, may receive emergency financial aid grants. Students will be required to complete a FAFSA for the current academic year. The Financial Aid Office will then review the completed FAFSA to ensure the student meets application criteria before Baron Grant and Red Baron Plus Grant application(s) will be considered.
- The criteria to participate in Title IV programs include but are not limited to the following:
 - U.S. citizenship, permanent resident, or eligible noncitizen
 - Has a valid Social Security number that is verified against the Social Security administration database
 - Registered with Selective Service (if the student was born male) and over the age of 18 at time of FAFSA application
 - Has a high school diploma, GED, or completion of high school in an approved homeschool program
 - Must not be enrolled concurrently in elementary or secondary school at the same time they are matriculated at SUNY CCC
 - Enrolled in an eligible degree or certificate program
