Instructions to Accept/Decline your Financial Aid Awards

To receive **payment of your financial aid awards** you must accept the **Terms and Conditions** that are posted on the "Accept Award Offer" page in MyCCC.

Pell Grant and SEOG are federal grants that do not require "acceptance" but you must still accept the **Terms and Conditions** to receive these awards.

If you have been awarded **Federal Work-Study and/or Federal Direct Loan**, you must accept or decline those awards. You can accept the full amount or a partial amount of the award. You may want to consider this when determining the amount of Direct Loan you will need for the academic year. In most cases there are additional requirements that you must complete each year for Direct Loan. Direct loan processing will be delayed if you fail to complete any additional requirements.
