

2021-2022 Dependency Appeal Request

Student Name: _____ SSN or CID#: _____

Student Address: _____

Phone#: (____) _____

I am a returning or readmitted student and I have previously provided your office with the required documentation and my status remains the same, refer to the documentation that was submitted previously.

The Department of Education determines a student's status as dependent or independent by the answers the student provides on the questions listed in Step Three of the Free Application for Federal Student Aid (FAFSA). Since you do not meet the federal definition of an independent student, you must provide documentation that demonstrates unusual circumstances. Please complete this dependency appeal request and return it with supporting documentation.

The following **DO NOT** qualify as reasons for requesting a dependency change:

- Student demonstrates total self-sufficiency.
- Parents are unwilling to provide information on the application or for verification.
- You do not live with your parents.
- Your parents do not claim you on their federal or state tax forms.

The following reasons **may qualify** a student for a dependency override:

- Abandonment by parents.
- An abusive family environment that threatens the student's health or safety.
- Student is unable to locate his/her parents.

Documentation is critical to the dependency override process. The documentation must support, and include, the reason for the request and should in almost all cases originate from a third party with knowledge of your circumstances.

1. Please provide a detailed statement explaining the situation(s) that exists in your family preventing you from obtaining your parent's financial information, such as parent physical or emotional abuse, estrangement, abandonment, incarceration, drug or alcohol abuse, mental incapacity, or other such situations beyond your control.

2. Reason for requesting to be independent: (*check ONE that describes your circumstances*)

- an abusive home situation which is detrimental to your physical or mental well-being
- abandonment by both parents
- history of parental alcohol or drug abuse
- incarceration of the custodial parent and inability to obtain other parent's information
- other extenuating circumstances

3. You must provide at **least one form of documentation** on official letterhead from a third party person to support your request. *Check the type(s) of documentation you are providing to support your request.*
